Respected Maam /Sir

I Asst Prof Akruti Jadhav (coordinator of Add on course) want to conduct an add on course **Diploma in MS -Office for S.Y.B.com and F.Y.B.com students**. In the month of January 2024

The objective of this course is as follows

- To give basic information about the computer system.
- To give knowledge about computer hardware and computer software.
- To familiarize students with the use of MS Windows, Internet and E-mail.
- To familiarize students with the use of MS Office-MS Word, MS Excel & MS PowerPoint.

Course duration of course will be 30 hours and will be conducted in the college itself.

I am confident that this add-on course will significantly enhance the skills of our students and provide them with an excellent opportunity for growth. I kindly request your approval and support to move forward with the development and implementation of this course. I look forward to your positive response and am available for further discussion if needed.

After completion of course detail outcome of the course and action taken report will be submitted to you.

  
Thanking you

**1.3.1 List and description of the courses which address the Gender, Environment and Sustainability, Human Values and Professional, Ethics into the Curriculum**

BUNTS INSTITUTE FOR HIGHER EDUCATION is committed to fostering holistic development by integrating subjects that address key societal issues such as human values, professional ethics, gender equality, and environmental sustainability. The institute emphasizes a well-rounded education through an interdisciplinary approach, blending theoretical knowledge with practical experience.

**Gender equality** is actively promoted through initiatives like the Sexual Harassment Committee and the Women's Development Cell, ensuring equal educational opportunities for all. Both male and female students are encouraged to participate in various activities, including sports, to challenge traditional gender roles and address gender-related issues.

**Reserved Quota SC/ST Cell** provides guidance and support to students from Scheduled Castes and Scheduled Tribes, helping them navigate academic and personal challenges while ensuring the implementation of government policies for their benefit.

**Professional ethics** is a key part of the curriculum, with courses designed to develop essential soft skills. Specialized programs in Entrepreneurship, Research Methodology, and Intellectual Property Rights further enhance students' preparedness for their careers.

**Environmental sustainability** is promoted through mandatory courses on Environmental Studies and activities like tree plantation drives, workshops, and NSS camps. These efforts aim to instill environmental responsibility in students, empowering them to contribute positively to society and the planet.
